COVID-19 Essential Employee Authorisation Letter

To Whom It May Concern,

The bearer of this letter is an employee of Specialist Façade Inspections Ltd who is responsible for the inspection and investigation of fire safety in relation to critical cladding works.

Advice from the Ministry of Housing, Communities and Local Government (MHCLG) (provided in *MCHLG Guidance Note: Remediation and COVID 19 – 27th March 2020*) states that:

“Making buildings safe, including progressing the remediation of high-rise buildings with unsafe cladding, particularly those with unsafe Aluminium Composite Material (ACM) cladding; and maintaining measures to ensure buildings are safe ahead of remediation, remains a priority for the government.”

The government’s view is that this work is critical to public safety and as such we request that you please permit the bearer of this letter to proceed with their essential travel. SFI is committed to protecting our staff and others who may be affected by our works and is taking all measures possible in this difficult time to ensure their health, safety and welfare.

If you have questions about this person’s affiliation with SFI, their destination or purpose for travel please contact Joshua Tedstone using the contact details provided above.
